## WHAT YOU NEED TO KNOW ABOUT US

**Passion, innovation and assurance are the core values that make us tick. We are passionate about what we do.** Established in 2002, Abode has a team with extensive knowledge of sinks, taps and the kitchen and bathroom market. Our highly skilled technical designers and product managers enjoy nothing more than bringing their visions to life.

**Innovation is at the heart of what we do.** We place our focus on designing and engineering ranges of sinks and taps that bring something different; whether it be the perfect pairing for the latest kitchen design trends, new functionality or expanding upon what we do best. Abode are renowned for award winning product design.

**You, and more importantly, your customer has the assurance of complete peace of mind with an Abode product.** We have strict quality standards, investing in the very best components to ensure long-life performance. We are so confident in the quality of our products that they carry a comprehensive warranty on defective material or workmanship. On top of that, our after-sales service team are dedicated in providing superior customer service should you need us.

abode

The full family of Abode sinks is comprised of a wide range of undermount or inset options, using the finest materials and components to ensure premium quality that stands the test of time. Find something to perfectly coordinate with your kitchen decor, functional requirements and budget every time.

This brochure offers a selection of key products from each of our sink collections, paired with a carefully selected tap and suggested upgrades, should you be looking for that extra functionality. The chosen sink and tap are supplied separately.

**All Abode sinks are supplied boxed and come complete with pipework.**

OVER 15 YEARS ON AND OUR THIRST FOR INNOVATION, DESIGN, QUALITY AND SERVICE REMAINS JUST AS STRONG AS IT WAS ON DAY ONE.
