WELCOME TO THE
ECF COMPONENTS PORTFOLIO

For over 40 years ECF has supplied innovative products and services to it's KBB Trade Partners. Our focus is to provide everything you need to not only sell and install beautifully stylish kitchens, bedrooms or bathrooms, but more importantly for you to build a more successful business.

Whether it's making the most practical use of space in furniture or the perfect finishing touches, ECF provides a vast and ever expanding range of components. All components are listed with product codes and are available on our digital platform www.MyECF.co.uk.

In addition to components, our vast range of ECF branded products are designed and manufactured using our own state-of-the-art facilities in rural Leicestershire. Being local affords us the flexibility to provide tailored kitchen, bedroom and bathroom solutions for even your most discerning consumers.

We look forward to helping you build your business.

The ECF site also houses our Design and Marketing Suite. Simply make an appointment and bring your customers to see the latest products and all of the choices we have to offer in door styles, finishes, components, sinks, taps, appliances and lighting.

Then, using the latest CAD design systems, our Planning Team can produce three dimensional visuals of your customer's dream kitchen.

Planning a new kitchen can be an exciting process. After all, you'll be using it every day for many years to come. Blum hinge and lift systems create solutions that deliver top quality function and enhanced convenience to make your kitchen practical and versatile effortlessly.

When it comes to appliances, sinks and taps ECF distributes and trusts Caple to stand equal to our own products. No matter how you choose to design your kitchen, Caple will provide lasting usefulness, beauty and ambiance.

CRL worktops are non-porous, hard wearing, resistant to heat and scratching, and do not require sealing, making them very low maintenance. Together with their aesthetic advantages and durability is why CRL is often the kitchen worktop of choice for many homeowners.

Egger products can be found in many areas of private and public life: in kitchens, bathrooms, offices, living rooms, and bedrooms. ECF uses premium Egger board and worktops to create our stunning furniture for your home.

Sensio Lighting is a family run business with over 15 years experience providing high quality LED lighting to the kitchen, bedroom and bathroom market. Sensio makes lighting simple whilst giving you all of the tools you need.
