3 New Modern Ranges

If a sleek minimalist look is what you're after then look no further than the Hardcoat, Phoenix and Zenith ranges.

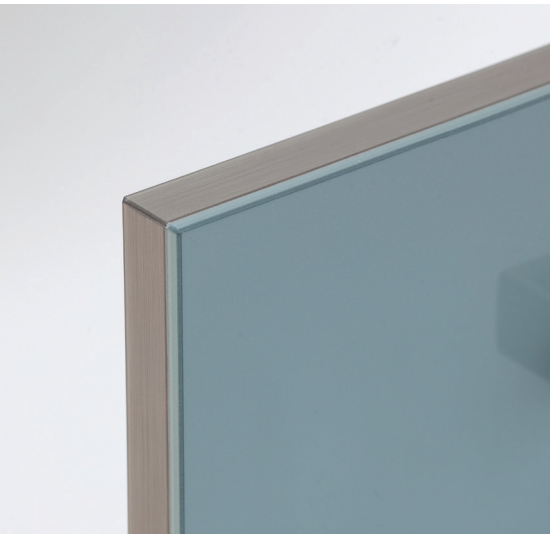

Phoenix / Champagne Metallic

Phoenix / Matching Edge

Phoenix / Gloss Blue Metallic

Phoenix / Glass Effect Edge

The Phoenix range comes in 17 different Super High Gloss finishes, 3 of which are Metallic. By adding an integrated aluminium handle with a brushed steel finish the Phoenix range becomes Zenith.

If you prefer a Super Matt finish then the Hardcoat range might best suit your taste, available in a choice of 6 colours. Edging options include, Glass Effect, Matching and Multiplex.

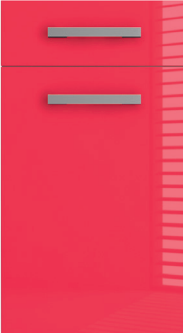

So whether you're after a lustrous High Gloss or a Super Matt finish these ranges have you covered.

## Hardcoat

Full of quality and finesse, Phoenix is a treasure of a kitchen. Taking modern thinking to the next dimension, the flush sweep of cabinets can be designed to suit all requirements, with a range of distinctive low and high level configurations. And, noticeably, the acrylic laminated doors are beautifully edged.

## Phoenix

An artist's palette and an architect's eye create the showpiece that is Phoenix. A mouth-watering amalgamation of Anthracite, Blue and White take your kitchen expectations to a new level. Well ordered and balanced, the success of this design lies in its perfect synthesis of the unexpected and design perfection.
